Current IB Planner

Theme- How the World Works

Central Idea– Natural disasters transform economies, communities, and environments.

Reminders:

Family Math, Science, and Technology Night

TONIGHT is Family, Math, Science, and Technology Night! Pre-ordered meals will be available for pick up at 5:30 PM. Rotations start at 6:00 PM. Some activities will require a ticket and will be first come. We are excited about a great night!

Fresh Fruit Friday is Back!

Bring in a piece of fresh fruit on Friday, January 30th. Listen for the announcement for everyone to enjoy their fresh fruit. What a great way to remind us to stay healthy!

A New Spirit Night/Day

La Fagota in Simpsonville will give 10% of the proceeds back to Fork Shoals during both lunch and dinner times on January 26th. Be sure to share with family and friends. Remember that there is also a coupon for La Fagota in the Entertainment Coupon book that was sold at the beginning of the year.

Middle School Info:

Please begin watching for information on the middle school you are potentially looking at having your child attend for upcoming curriculum nights. We will try to post information on the Fork Shoals website as well but it is important you check the website so you can attend those curriculum nights. Please feel free to call our school counselor at 355-5004 or email her at acline@greenville.k12.sc.us if you have any further questions.

“It is common sense to take a method and try it. If it fails, admit it frankly and try another. But above all, try something.” –Franklin D. Roosevelt
