2. The dentist was extremely thoughtful to give me a new toothbrush!

2nd IB Planner

Theme- Where we are in place and time

Central Idea- Relationships are influenced by populations and systems.

Reminders:

Square 1 Art

Students will be receiving Square 1 Art packets in Art class this week. Each child will receive a free set of stickers of their art and can order items with their artwork on them! This makes great gifts and supports our art program. Orders can be placed online at www.square1art.com or with the paper order form sent home. Please make checks payable to Square 1 Art. Thank you for supporting our artists! Orders are due by November 13th.

Career Day

We are in need of career day speakers for Tuesday, November 24th from 8:30-10:30. You would speak to one grade level and have 15 minutes with each class before the next class on the grade level comes in to see you. We are really focusing on careers this year and would love a wide variety of speakers to come and participate in our career day! If you know of someone in your family who would like to come speak, please let us know. Feel free to contact your child's teacher or Mrs. Cline if you or someone you know would consider volunteering. Mrs. Cline can be reached at acline@greenville.k12.sc.us or 355-5004. Thank you again for your consideration to volunteer for this wonderful event!

Donations Needed

Please help our robotics team by sending in a few items. Capri Sun and Kool Aid drink pouches can be left in the cafeteria. Used printer cartridges and old or broken crayons can be sent to Mrs. Moroney's room. Profits earned will go towards a new robot.
