2. A thousand advisors were in error and got in trouble.

1st IB Planner

Theme- How the World Works

Central Idea– Interactions create function and structural change.

Reminders:

Summer Activity Log Participation

Last week, eligible students received an invitation to participate in the Summer Activities Log Celebration. The Celebration will be this Friday, September 25th.

Reading Challenges

Beginning this week, Fork Shoals students will have the opportunity to participate in three different reading challenges: Read Your Way to the Big Game (Carolina vs. Clemson), Scholars Book Club (sponsored by the Greenville Swamp Rabbits hockey team), and the school’s 1st Quarter Challenge. ***Students can read the same books for all three challenges!*** Please encourage your child to take part in each of these celebrations of reading!

PTA Family Fun, Health, and Safety Night-Monday, Oct. 5th

We are happy to announce that this year, we are teaming up with several local health and safety contacts for this event. We have the mobile mammogram bus coming as well! A flyer can be found on our website and was sent home last week with information about how to make an appointment. Appointments will be required and should be made by September 23rd. A few appointments have already been scheduled. We need to have a certain number of appointments for them to come. Please share with others.

“The only way to have a friend is to be one.” -Ralph Waldo Emerson
